Leadtime Required for Orders and Deliveries:

Any catering orders received to SV Business Catering GmbH later than the deadline on this form cannot be considered. Order-confirmations will be sended on your request. As a rule, we deliver to exhibition stands between 08:00 am and 05:30 pm and by agreement. In case of delays, especially on the first day of the fair, we ask for your understanding. We need your reorders during the fair until 12:00 pm one day in advance. Food orders that are marked with * we need before the start of the fair. Orders received at short notice will only be processed depending on the business and / or order volume of the day. No entitlement exists to a specific delivery and collection time. The delivery and return will be recognised against delivery note with a valid signature of the recipient or collector.

Scope of delivery:

The scope of delivery includes delivery of the food, drinks and items of equipment ordered as well as collection from the exhibition centre following use. In the absence of any information to the contrary, the scope of delivery does not include crockery, material or additional personal services. The provision of any necessary sanitary and electrical connections in the exhibition halls and open-air area is the responsibility of the customer.

Order Quantities and Returns:

As a rule, unused beverages, food and consumables delivered to stands cannot be returned / refunded. For beverages there is no deposit charged and refunded. In the absence of any explicit written agreement, collection of inventory items provided (crockery, devices, etc.) will be on the final day of the exhibition or event. SV Business Catering will charge the customer for items damaged or lost at replacement value.

Terms of Payment:

Please also note that catering services rendered by SV Business Catering GmbH shall also be invoiced separately and independently from the services by Messe Düsseldorf. The performances of SV Business Catering GmbH within the scope of catering to stands are due in full immediately. The invoice will be issued generally on the final day of the exhibition and the payment has to be done on site, except when otherwise stipulated in advance, in cash or by credit card.
