## *Wine list*

Die Zusammenarbeit mit den Winzern aus der Region ist für uns zentral. Deshalb besteht unsere Karte hauptsächlich aus erlesenen Weinen aus dem Schaffhauser Blauburgunderland. Entdecken Sie mit uns ein Stück Weinkultur.

Der Weinkanton Schaffhausen präsentiert sich heute in Hochform. Auf 483 Hektaren wird Wein in den verschiedenen Regionen erzeugt: Klettgau, Schaffhausen/Reiat, Stein am Rhein. Die Winzer und Weinproduzenten sind so gut ausgebildet wie nie zuvor. Im Einklang mit der Natur und mit Hilfe einer klug eingesetzten Kellertechnik erzeugen sie in einer früher nie für möglich gehaltenen Dichte fabelhafte Weiss- und Rotweine. Aber auch frische Apéro-Tropfen und kräftige, harmonische Essensbegleiter.

Unsere Weine kommen aus:  
dem Schaffhauser Blauburgunderland, der Bündner Herrschaft, dem Kanton Tessin, Italien, Frankreich und Spanien.

Unsere Servicemitarbeitenden beraten Sie gerne bei der Weinauswahl.

*Working together with winegrowers from the region is of prime importance for us. This is why our wine list contains exquisite wines from the Schaffhauser Blauburgunderland. Discover aspects of wine culture with us.*

*The wine canton of Schaffhausen is in top form today. Wine is produced on 483 hectares in the three different regions of Klettgau, Schaffhausen/Reiat and Stein am Rhein. The winegrowers and wine producers are better educated than ever before. Acting in harmony with nature and with the aid of an intelligently applied cellar technique, they produce fabulous white and red wines in a density that was previously not thought possible. And there are also fresh aperitif wines and strong, harmonious wines to accompany food.*

*Our wines come from:  
the Schaffhausen Blauburgunderland, Bündner Herrschaft, the canton of Ticino, Italy, France and Spain.*

*Our service staff will be pleased to advise you on the choice of wine.*
